Conduit Boxes Now Available From Magnum Energy

The ME-CB Conduit Box is used for residential installations where the electrical code requires that the AC and/or DC wiring to be enclosed/protected by conduit. The box fits on the front side of Magnum Energy's ME, MS and RD Series inverterchargers.

About Magnum Energy

Magnum Energy, Inc. www.magnumenergy.com is a leading manufacturer of premium inverterchargers for Renewable Energy, RV & Marine applications. With over 150 years of combined inverter design and manufacturing experience, Magnum Energy has incorporated new design and manufacturing techniques to build some of the industries most reliable, advanced and cost effective inverterchargers and accessories in the world.
